

Programming and Content

We are organized as a non-profit educational organization, with the goal of offering educational services for the area for use by the English and Spanish speaking people in our community to:

- (i) Addressing important social burdens affecting the community and
- (ii) Improving the overall moral, spiritual and educational level of the community.

In keeping with these educational purposes, programming on the proposed station will include the following:

- 1.) Religious instruction, including programming designed to provide moral and spiritual teaching to minister to the needs that the people may have.
- 2.) Programming that provides spiritual instruction and counseling from the Word of God with regard to combating alcohol and drug abuse.
- 3.) Programming designed to address community health issues by providing assistance from people in the health department who will inform the public about health issues and any available aid in the community with details on where to go and how to obtain it.
- 4.) Programming designed to address and provide assistance to the public in obtaining (I) ESL ('English as a 2nd language) instruction on how to obtain a GED (General Education Development) certification and (III) immigration information.
