

WLSS(AM) STA Extension Statement

WLSS(AM) is currently operating with emergency antenna facilities pursuant to STA 0000221880 which is expiring April 11, 2024. As previously reported, two of the four towers collapsed at the WLSS(AM) site due to Hurricane Ian. The licensee continues to work to schedule a tower crew and is also analyzing various alternative options. An extension of WLSS's STA to continue to operate with emergency antenna facilities while repair work continues is hereby requested.
