## **Explanation of Translator License to Cover Filing and Compliance with Special Operating Conditions or Restrictions**

- \* The applicant certifies coordination with other users of the site to reduce power or cease operation as necessary to protect persons having access to the site, tower or antenna from radiofrequency electromagnetic fields in excess of FCC guidelines.
- \* The applicant certifies that prior to commencing program test operations, the applicant has on file at the Commission an FCC Schedule 350 Application for an FM Translator License pursuant to 47 C.F.R. Section 74.14.
- \* The applicant acknowledges that notwithstanding the grant of this construction permit or the expiration date specified herein, the station's license will automatically expire as a matter of law on January 19, 2025 if the station has not resumed broadcasting before that time. See Pub. Law No. 104-104, 110 Stat. 56, Section 403 (1) (1996) and Order, Silent Station Authorizations, FCC 96-218 (released May 17, 1996). See also Public Notice, Expedited Processing of Applications Filed By Silent Stations, DA 96-818 (May 22, 1996). Upon resumption of broadcasting, the licensee has separately notified the Commission in addition to this application for a license to cover this permit.
- \* The applicant acknowledges that subject to the provisions of the Communications Act of 1934, as amended, subsequent acts and treaties, and all regulations heretofore or hereafter made by this Commission, and further subject to the conditions set forth in this permit, the permittee is hereby authorized to construct the radio transmitting apparatus herein described. Installation and adjustment of equipment not specifically set forth herein shall be in accordance with representations contained in the permittee's application for construction permit except for such modifications as are presently permitted, without application, by the Commission's Rules (See Section 83.875).
- \* The applicant acknowledges that pursuant to Section 73.3598, this Construction Permit will be subject to automatic forfeiture unless construction is complete and application for license is filed prior to expiration.
- \* The applicant certifies that equipment and program tests were conducted only pursuant to Sections 73.1610 and 73.1620 of the Commission's Rules.
