

STA request

Jeff Chang, licensee of KRPB(FM), Facility ID 166065, Morristown, AZ, seeks special temporary authority to return the station to on-air operation at low power from a temporary site in order to get the station, which has been silent since 8/16/2023, back on the air providing service to the public while it finalizes its lease arrangements for a new permanent tower site and files an application for modification of the station's facilities.

STA facilities sought (see attached sketch):

Location: atop a building located at 25826 West Rockway Hills Road, Morristown, AZ
Site coordinates: 33 51 18.47, -112 37 6.23 –
Site elevation: 608.08 Meters AMSL
The antenna CR: 8.5 meters AGL
Antenna: Circular polarized
ERP: 5 watts
