

**PALMER JOHNSON  
1808 KATELYN STREET  
KENNETT, MO 63857**

**573-344-0014 (CELL)**

**KOSE AM  
Wilson, Arkansas**

**Since the purchase of the radio stations of Sudbury Service, I have been working on the transmitter facilities of KOSE. It has been determined that the transmitter and associated equipment need to be repaired and or replaced. Therefore, the station is silent in order to allow time to repair and tune the Antenna Tuning Unit and repair or replace the transmitter and audio equipment in order to return the station to reliable operation.**
