

# Northern Kansas Broadcasting Inc Our Educational & Mission Statement

## In the State of Kansas

August 20,2021

Kansas Filing Number 9983495

Northern Kansas Broadcasting Inc serves the Northern Kansas geographical area of Baileyville, Kansas and its residents for the good of the community. Northern Kansas Broadcasting Inc's mission is simple: Amplify the Public Good – by publicizing the many positive aspects of Northern Kansas life.

### **Citizen Support:**

Northern Kansas Broadcasting Inc offers an open, accessible public forum where citizens educate citizens on significant local issues of the day. Citizen participation, opinion and editorial expression are encouraged.

### **Pro Bono Support:**

We educate and inform our audience about local activities, events, and free support services offered by volunteer groups and nonprofit organizations who serve the public interests of Northern Kansas, its schools and its residents.

### **Educational Support:**

We also spotlight Northern Kansas area local arts, music, cultural, civic and school events while providing volunteers with training and practical experience in media craft and communication arts.

### **Government Support:**

Northern Kansas, specifically the geographical area of Baileyville, Kansas's local government is a model of openness and accessibility. We will always attempt to provide regular coverage of government meetings, and publicize government notices and activities. We provide a ready forum for informing and educating the public on issues of civic importance to Baileyville, Kansas and neighboring towns.

### **Public Safety Support:**

Additionally, Northern Kansas Broadcasting Inc will provide on-demand access for Northern Kansas's specifically the geographical area of Baileyville, Kansas's Emergency Management Centers to convey timely information over the air as a public safety radio service to protect life, health and property as emergency or adverse circumstances may warrant.
