

Amendment to Application

Comes Now, Northern Kansas Broadcasting Inc and does so request an amendment to its application with the Federal Communications Commission. Application File No. 0000232267 and we request correction of name to fully match our incorporation documents with the State of Kansas. We apologize for the delay in amendment, as we sought advice on how to proceed with the issue.

We respectfully request the FCC grant our application and forgive our error.

Respectfully,

Wyatt A Thiessen
