

CPC OF THE WMM - ZEPHYRHILLS, FL - ONE, INC. IS ORGANIZED AS A NON-PROFIT EDUCATIONAL ORGANIZATION IN THE STATE OF FLORIDA SINCE 05/03/2016.

Our mission is to preach the Gospel of our Lord Jesus Christ as the Bible requires us to do. We are a church that focuses on the sound teaching of the word of God which is necessary for the benefit of our communities. With this vision, we would like to use the radio waves as a channel to provide the Spanish-speaking community of Zephyrhills with the necessary resources to build a stronger community.

We will use the radio station to educate and guide the community according to the word of God and its individual needs. We feel that providing the right resources will help better the quality of life and create a stronger community.

Such resources will include but will not be limited to providing information on different topics such as:

- Bible teaching
- Information on current events and how they affect our communities
- Information on how to deal with the many things we encounter in life such as death, illness, the loss of a job, depression, etc.
- Information on financial issues and how to find solutions. We will also provide the right resources so they can improve their current situation

We will also play uplifting music to help people with their day-to-day life. In doing so, we believe we will be a great blessing to the community of Zephyrhills. We will be honored to serve our community daily using and sharing the experience we have acquired over our many years in ministry through this radio station.

Thank you for the opportunity.
