Notification of License Expiration

Dear Licensee:

This letter is to inform you that the license of FM Translator Station K250BX (Station), licensed to Southern Oregon University (Licensee), has expired pursuant to section 312(g) of the Communications Act of 1934, as amended (Act).

On February 15, 2024, we sent Licensee a letter stating that our records indicated that the Station had been off the air or operating with unauthorized facilities since at least July 19, 2022.¹ Licensee was required to clarify this matter in writing within forty-five days of the date of the Letter. To date, we have received no response. We have therefore concluded that the Station failed to operate with authorized facilities for over 12 months, and that its license has expired.

Therefore, the Commission's public and internal databases HAVE BEEN MODIFIED to indicate that the broadcast license for the referenced station is EXPIRED, that the station's license is CANCELLED as a matter of law, and that the station's call sign is DELETED.

Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower be maintained until the tower is dismantled. Accordingly, the

owner of the tower where the referenced station's transmitting antenna is located is required to maintain the tower in the manner prescribed by our rules and the terms of the cancelled license.²

Sincerely,

Albert Shuldiner
