KRHJ-FM, a non-commercial educational radio station, on December 19th 2023, filed for an Engineering Special Temporary Authorization (STA). File number 0000233399 requested KRHJ to deviate from its licensed parameters. The request specifically addressed the loss of the existing AUX site and needed to establish coverage with a transmitter from the studio location, while the main transmitter site antenna work was performed.

As of May 17th 2024, antenna site work has completed. In addition, the existing AUX site as file number 0000196101 has been reestablished.

47 C.F.R. § 73.1560(b) and 47 C.F.R. § 73.1635 relief, is no longer required to continue operations. STA File Number 0000233399 can be retired early before its deadline of June 19th 2024
