TIME BROKERAGE AGREEMENT

This Time Brokerage Agreement (the "Agreement"), made and entered into as of the 10th day of May, 2024, by and among **SEVEN MOUNTAINS MEDIA, LLC**, a Pennsylvania limited liability company ("Seven Mountains") and **SOUTHERN BELLE, LLC**, a Delaware limited liability company ("Southern Belle" and sometimes hereinafter referred to collectively with Seven Mountains as "Licensee") on the one hand, and **TIMES SHAMROCK MEDIA, L.P.**, a Pennsylvania limited partnership ("Broker").

W I T N E S S E T H: THAT,

WHEREAS, Licensee is the licensee of, and owns and operates radio broadcast station **WLGD-FM (107.7), Facility ID 19564, licensed to Dallas, Pennsylvania** (the "Station"), and has requested that Broker provide substantially all of the programming for the Station, and wishes to broker substantially all of the broadcast or program time during the Station's broadcast day, and, as the owner and/or lessee of the operating equipment associated with the Station, has agreed to permit Broker to utilize said equipment in connection with the foregoing; and

WHEREAS, Licensee and Broker, are negotiating an Asset Purchase Agreement (the "Purchase Agreement") pursuant to which Licensee would agree to sell to Broker, and Broker would agree to buy from Licensee, the Station and associated assets.

NOW, THEREFORE, in anticipation of the execution of the Purchase Agreement, and for and in consideration of the mutual covenants and agreements between Licensee and Broker hereinafter set forth, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by each party hereto, Licensee and Broker, intending to be legally bound, do hereby agree as follows:

1. Definitions. The following terms shall, for the purposes of this Agreement, have the meanings ascribed herein:

(a) Programming. The term "Programming" shall mean the entertainment programs provided to the Station by Broker, as well as advertising for products and services, other commercial advertising, and other material contained therein.

(b) Commencement Date. The term "Commencement Date" shall mean 12:01 am EST on June 1, 2024.

(c) FCC. The term "FCC" shall mean the Federal Communications Commission.

(d) Final Order. The term "Final Order" shall mean any action of the FCC that revokes or rescinds the Station's license, said action being no longer subject to administrative or judicial review, reconsideration or appeal, and no appeal to a court of said action is pending or in effect.

(e) Term. The "Term" of this Agreement shall commence on the Commencement Date and shall terminate on the earlier to occur of (unless terminated earlier pursuant to the provisions of this Agreement): (i) the Closing Date (as defined in the Purchase Agreement); (ii) the date of termination of this Agreement in accordance with its terms; and (iii) ten (10) days following the date of termination of the Purchase Agreement in according to its terms without a closing.

2. Time Brokerage. During the Term hereof, for the consideration provided in paragraph 3 below, Licensee hereby sells to Broker one hundred sixty six (166) hours per week on the Station, provided that Licensee shall retain, with respect to the Station, and without reduction in the consideration to be paid by Broker to Licensee, two (2) hours per week to present

news, public affairs programming, public service announcements, and other programming reasonably necessary for the Station to be responsive to the ascertained needs, interests, and issues of its community of license and service area. All contracts, advertising agreements, purchase orders, and other similar documents and instruments negotiated and executed by Broker on its behalf as Broker of the Station after the Commencement Date shall be in the name of Broker, provided that Broker shall not represent or warrant in any fashion that it is the licensee of the Station.

3. Payments. In consideration of the execution of this Agreement by Licensee, and for the broadcast of the Programming and the other benefits made available to Broker pursuant to this Agreement, during the Term, Broker shall pay Licensee: (a) a “TBA Monthly Fee” as set forth on *Schedule A* attached hereto; and (b) “Reimbursement Payments” as set forth on *Schedule B* attached hereto.

4. Right to Reject or Preempt Programs. Notwithstanding the grant to Broker by Licensee of the right set forth in Section 2 hereof, Licensee shall retain full authority and power over the operation of the Station at all times during the term of this Agreement. Licensee shall retain complete control over the policies and operations of its Station, including specifically the Station’s personnel, finances and the Programming, and also including, without limitation, the right to decide whether to accept or reject any of the Programming (including but not limited to advertisements) for broadcast by the Station, in advance of such broadcasts, and the authority to preempt any of such Programming for other programming deemed by Licensee, in its sole discretion, to be of greater national, regional, or local importance, or necessary to address the needs, interests, and issues of its Station’s community of license and service area.

5. Facilities.

(a) Licensee has provided equipment for the Station that is operating within parameters and in compliance with FCC standards, and Broker has had an opportunity to inspect that equipment and accepts that equipment as is. Licensee will engage an engineer mutually agreeable to Broker to maintain the necessary transmission equipment to continue to deliver a broadcast signal for the Station in accordance with the terms and specifications of its FCC licenses. Licensee shall be responsible for ensuring that its Station's transmitting facilities shall continue to comply in material respects at all times with the relevant rules, regulations and policies of the FCC and other applicable governmental authorities.

(b) Licensee shall continue to maintain loss and liability insurance coverage for the Station's facilities commensurate with standard industry practices, and shall also maintain its corporate existence in good standing, pay all taxes and assessments owed by it on account of its ownership of its property or its operation of its Station, including the Station's transmitting facilities, or on account of this Agreement or otherwise. In the event that any FCC authorizations (other than license renewal or other routine filing fees) shall be required by either the Licensee or Broker in order to enable Broker to originate and relay programs to the Station's transmitting facilities for broadcast by the Station, or to change the call letters of the Station, both parties shall cooperate in obtaining such authorizations subject to reimbursement as set forth in Schedule B. Licensee shall continue to maintain the Station's EAS authorization and online public inspection file of the Station as now established and will continue to adhere to all FCC rules and regulations applicable to the Station's EAS authorization and online public

inspection file. Licensee will also: (i) comply with the FCC's rules and regulations with respect to the ascertainment of community problems, needs, and interests and broadcast programming responsive thereto; and (ii) comply with all other FCC rules and regulations which may be applicable to the operation of the Station.

(c) Licensee hereby grants Broker an unlimited, royalty-free license to use, in connection with providing the Programming on the Station, any and all trademarks, service marks, trade names, jingles, slogans, logotypes, and other intangible rights owned and used or held for use by Licensee in conjunction with the Station. Licensee agrees to execute such additional documentation as may be necessary or desirable to effectuate the license granted under this Section.

6. Expenses. During the Term, Broker shall be responsible for: (a) the salaries, taxes, insurance and related costs for all personnel used in the production of the Programming supplied to the Station; and (b) the costs of delivering the Programming to the Station. Licensee shall be responsible for paying directly all other operating expenses, including but not limited to: (i) the salaries, taxes, insurance and related costs for the employees of Licensee; (ii) the costs of maintaining the Station's access to the Station's transmitter sites and conducting operations therefrom, including any property taxes, rent and/or utilities at the transmitter site(s) for the Station ("Transmitter Site Expenses"); (iii) the costs of maintaining the Station's equipment in operating condition, including any replacements thereof ("Equipment Expenses"); (iv) expenses reasonably incurred to maintain the Station's FCC licenses ("License Expenses" and collectively with the Transmitter Site Expenses, and Equipment Expenses, "Reimbursed Expenses" for the purposes of *Schedule B*); and (v) any fees charged by any ratings service for the use of ratings for the Station. Each party shall be responsible for paying directly all income taxes relating to such party's

earnings from this arrangement. During the Term, Broker shall obtain and maintain in full force and effect in its own name and expense all music licenses, including without limitation ASCAP, BMI, SESAC, GMR and SoundExchange ("Music Licenses") as are required for the Programming and as shall be required by the licensor of those Music Licenses.

7. Force Majeure. Any failure or impairment of facilities or any delay or interruption in broadcasting the Programming, or failure at any time to furnish facilities, in whole or in part, for broadcasting, due to acts of God, strikes or threats or force majeure or due to causes beyond the control of Licensee or Broker, shall not constitute a breach of this Agreement.

8. Compliance with Laws.

(a) Broker hereby represents and warrants to Licensee that: (i) all Programming presented by Broker for broadcast by the Station pursuant to this Agreement will comply with all legal requirements, including, but not limited to, the FCC's rules, regulations and policies; (ii) Broker has substantially complied with and is now in substantial compliance with all laws, rules, and regulations that are material to this Agreement, including, but not limited to, the FCC's rules and the Communications Act of 1934, as amended; (iii) except as otherwise stated herein, no consent, approval, or authorization of or filing by Broker with any governmental authorities is required in connection with the transactions contemplated herein; and (iv) the carrying out of this Agreement by Broker will not result in any violation of or conflict with Broker's formation documents, or any existing judgment, decree, order, statute, law, rule, or regulation of any governmental authority.

(b) Licensee hereby represents and warrants to Broker that: (i) Licensee has substantially complied with and is now in substantial compliance with all laws, rules,

and regulations governing the Station's business, ownership, and operations that are material in any way to this Agreement, including, but not limited to, the FCC's rules and the Communications Act of 1934, as amended; (ii) except as otherwise stated herein, no consent, approval, or authorization of or filing by Licensee with any governmental authorities is required in connection with the transactions contemplated herein; and (iii) the carrying out of this Agreement by Licensee will not result in any violation of or conflict with Licensee's organizational documents, or any existing judgment, decree, order, statute, law, rule, or regulation of any governmental authority.

(c) Licensee reserves the right to refuse to broadcast any Programming which, in Licensee's opinion, determined in good faith, is inconsistent with its duty to operate in the public interest. In the event that, in the opinion of Licensee, the Programming furnished by Broker fails to conform to Licensee's requirements, Licensee shall have the right, without prejudice to any other rights it may also have, to:

(i) Furnish and/or substitute broadcast material prepared by such Licensee,

(ii) Edit the proffered Programming, or

(iii) Refuse to furnish the Station's transmission facilities to Broker for the purpose of airing the objected to Programming on the Station.

In all such cases, however, Licensee will endeavor to notify Broker of any changes or substitutions in advance of the broadcast wherever reasonably possible. In no event shall any preemption, deletion or failure to broadcast Broker's programs take place for the commercial or economic advantage of Licensee, and Licensee shall not sell any preempted time to any third party.

9. Political Advertising. Licensee will oversee and take ultimate responsibility for the Station with respect to the provision of equal opportunities, lowest unit charge, and reasonable access to political candidates, and compliance with the political broadcast rules of the FCC. Broker shall cooperate with Licensee as Licensee complies with the political broadcast rules of the FCC. Broker shall supply such information promptly to Licensee as may be necessary to comply with the lowest unit charge requirements of federal law. To the extent that Licensee believes necessary, in its sole discretion, Broker shall release advertising availabilities to Licensee to permit it to comply with the political broadcast rules of the FCC, including but not limited to Section 315 of the Communications Act of 1934, as amended; provided, however, that revenues received by Licensee as a result of such a release of advertising time shall promptly be remitted to Broker, net of any direct out-of-pocket costs incurred by Licensee in selling the political advertising and administering its broadcast.

10. Payola. Broker will not accept any consideration, compensation, gift or gratuity of any kind whatsoever, regardless of its value or form, including, but not limited to, a commission, discount, bonus, material, supplies or other merchandise, services or labor (collectively "Consideration"), whether or not pursuant to written contracts or agreements between Broker and merchants or advertisers, unless the payer is identified in the program for which Consideration was provided as having paid for or furnished such Consideration, in accordance with and to the extent required by the Communications Act and FCC requirements.

11. Response to Inquiries. Licensee shall use commercially reasonable efforts to cooperate with Broker in responding to any question, comment, or complaint from any third party with respect to any Programming broadcast by the Station that was presented for such broadcast by Broker; provided, however, Broker shall immediately forward to Licensee all written

questions, comments or complaints. All responses to questions, comments or complaints with respect to Programming are subject to the approval of Licensee with respect to its Station. If requested by Licensee, Broker shall cooperate fully with respect to all responses to such questions, comments or complaints.

12. Control of the Station.

(a) All obligations of Licensee hereunder are subject to its overriding obligation as a public trustee to serve the needs and interests of its service area and to broadcast programming that Licensee views as consistent with those needs and interests and the rules and regulations of the FCC. Licensee hereby designates Patrick Lincoln to oversee operations of the Station during the Term. Such manager and any other employee(s) designated by Licensee to assist such manager will: (i) be under the control of and report directly to Licensee; and (ii) have no material relationship with Broker. Broker shall not exercise control over the Station, and Licensee shall be solely responsible for the operation of its Station and maintenance of the FCC licenses for the Station.

(b) Broker recognizes that Licensee, as the Station's licensee, has the authority and obligation to remain in complete control of the operation of its Station. Nothing herein shall be construed as in any way limiting Licensee's right and obligation as an FCC licensee to make the ultimate and non-delegable decisions concerning the programming to be broadcast on the Station, including but not limited to the right to reject or refuse to air such portions of Broker's Programming as Licensee may, in its sole discretion, believe is unsatisfactory, unsuitable, or contrary to the public interest.

13. Right to Use Programs. The right to use any programs (or portions thereof) presented by Broker for broadcast by the Station hereunder, and the right to authorize such use in

any manner or in any media whatsoever, shall be and shall remain vested in Broker. Licensee shall not authorize, cause or permit, without Broker's prior written authorization, any program or other material supplied to Licensee under this Agreement to be recorded, duplicated, rebroadcast, or otherwise transmitted or used for any purpose other than broadcasting by the Station at the times specified by Broker and in the community and service area to which the Station is licensed, as provided herein. Licensee shall broadcast all Programming (including all commercial advertising material) without modification, addition or deletion, provided that said Programming is not rejected or replaced pursuant to this Agreement, at the hours and on the days specified in Broker's program schedule.

14. Disclosure of Information. Licensee and Broker recognize and acknowledge that during the term of this Agreement, they may from time to time become privy to information belonging to the other involving rates, program information, client list(s), and other information which is proprietary, valuable, special and unique to its respective business (whether or not specifically related to the Station), and that the appropriation of such information by the other could work substantial and irreparable harm to either Broker or Licensee, as the case may be, and its respective business. As a result, neither Broker nor Licensee shall communicate or disclose at any time during or after the term of this Agreement any information relating to client lists or other proprietary information, or any part thereof, to any other person, firm, corporation, association, or other entity for any reason or purpose whatsoever, except as may be required by the rules and regulations of the FCC. In addition, Broker and Licensee shall exercise their respective best efforts to prevent the use of copyrighted material and trade secrets of the other by any person or entity which prior thereto has not been authorized by Broker or Licensee to use such

information. Such prohibited disclosure by Broker or Licensee shall constitute a breach of this Agreement, and in such event the other party may seek compensatory damages.

15. Non-Default Termination. This Agreement shall be automatically terminated upon the transfer and assignment of the FCC broadcast licenses of the Station to Broker along with the purchase of the Station's assets by Broker pursuant to the Purchase Agreement, and may be terminated by Broker or Licensee, as provided by this Section and its subparts, if no default has occurred by such party and without fault or further obligation to any party to this Agreement in the following circumstances:

(a) License Termination. By Broker if (i) the Station is displaced from its original channel, (ii) the main license for the Station is terminated, for whatever reason, by the FCC, and such order of termination has become a Final Order, and (iii) commercial broadcasting for the Station cannot be resumed within thirty (30) days of the cessation of operation.

(b) Modification of Facilities. By Broker, if any action by the FCC results in changes to the Station's facilities, including but not limited to, power, frequency, or hours of operation, such changes occurring at any time during the Term of this Agreement so that the broadcasting of Broker's Programming by Station is of a materially diminished value than it was as of the date of this Agreement.

(c) Implications of Law. By Broker or Licensee in the event that this Agreement or the involvement of any party is deemed, preliminarily or otherwise, to be in material violation of the Communications Act of 1934, as amended, or any rule, policy or order of the FCC; provided, however, that the parties hereto must use their respective best efforts to rectify promptly any such material violation.

Upon a termination in accordance with this Section and its subparts, the parties hereto may promptly recover any equipment respectively owned by it and shall have no further obligation to otherwise pay further compensation or provide services as set forth in this Agreement, except that Broker will reimburse Licensee for any Monthly TBA Fee or expenses accrued to the date of termination for which it was otherwise obligated. The party terminating this Agreement pursuant to this Section or its subparts shall provide the other party with written notice of such termination, and the reason therefor, and the notice must be given at least thirty (30) days before the effective date of the termination, unless an earlier termination date is required to comply with FCC or statutory requirements.

16. Termination Upon Default. In the event of any Event of Default, the party not in default shall be under no further obligation to perform hereunder, and may, upon written notice to the other party, terminate this Agreement. In the Event of Default by Broker, (i) Licensee shall cease to make available to Broker any further broadcast time or broadcast program distribution facilities, and (ii) Broker's obligation to purchase time on Station shall be terminated, and in such event, Broker shall transfer and assign to Licensee all contracts, leases and agreements, to the extent assignable, and which Licensee's requests be assigned to it, and which were entered into in connection with the Programming for the Station by Broker, in an effort to afford to Licensee the same benefits enjoyed thereunder by Broker. In the event of any Event of Default by Licensee, Broker may pursue its remedies at law to recover damages. The following shall constitute an Event of Default under this Agreement:

(a) Non-Payment. Broker's failure to timely pay the consideration provided for herein. For the purposes of this Agreement, Broker shall be timely in its payments only so long as they are made within ten (10) business days from the date of

written notice from the Licensee to Broker that a payment has not been made when due and payable.

(b) Default in Covenants. The default by either party in the observance or performance of any material covenant, condition, or agreement contained herein, which shall not have been cured within thirty (30) days after receipt of written notice from the non-defaulting party that the default occurred; or

(c) Breach of Representation. Should any material representation or warranty herein made (i) by any party, or (ii) in any certificate or document furnished by one party to another pursuant to the provisions hereof, prove to have been false or misleading in any material respect as of the time made or furnished.

17. Indemnification.

(a) Broker indemnifies and holds harmless Licensee, its successors and assigns, affiliates, members, partners, directors, officers, employees, and agents, from and against expenses (including reasonable attorneys' fees and other expenses incidental thereto) of every kind, nature and description, arising out of claims made or liability assessed against Licensee, resulting from acts or omissions of Broker in the operation of the Station pursuant to this Agreement and not due to intentional or negligent acts or omissions of Licensee.

(b) Licensee indemnifies and holds harmless Broker, its successors and assigns, affiliates, members, partners, directors, officers, employees, and agents, from and against expenses (including reasonable attorneys' fees and other expenses incidental thereto) of every kind, nature and description, arising out of claims made or liability assessed against Broker, resulting from acts or omissions of Licensee as result of its

ownership or the operation of the Station pursuant to this Agreement and not due to intentional or negligent acts or omissions of Broker.

18. Liabilities Upon Termination of this Agreement. Following termination of this Agreement for any reason, including Broker's acquisition of the Station pursuant to the Purchase Agreement, Broker shall be responsible for all liabilities, debts and obligations accrued from the purchase of air time and facilities beginning on and after the Commencement Date, including, without limitations, accounts payable, barter agreements, trade-out agreements, and unaired advertisements entered into by Broker or by Licensee if approved by Broker, but not Licensee's federal and local tax liabilities associated with Broker's payment to Licensee as provided for herein, or other Licensee liabilities not specifically assumed under the Purchase Agreement.

19. Services Unique. The parties hereto agree that the facilities and services to be provided under this Agreement are unique and cannot be readily purchased or acquired in the open market, and for that reason, any party would be irreparably damaged in the event of a material breach of this Agreement.

20. Due Authority; No Conflict. Licensee hereby warrants and represents to Broker, and Broker hereby represents and warrants to Licensee, that is legally qualified under the laws of the State of its incorporation, and that it is duly authorized by all necessary corporate or action, to execute, deliver and perform its obligations under this Agreement, and that such execution, delivery and performance does not and will not violate, conflict with, constitute a default under, or upon the giving of notice or the lapse of time, or both, constitute grounds for termination of, or acceleration of obligations under, any charter, certificate, by-law, agreement,

contract, instrument, indenture, franchise, lease, license, permit, rule, regulation, statute, ordinance, judgment, order, or decree to which such warrantor is subject or by which it is bound.

21. Further Assurances. Each party agrees to execute and deliver additional documents and take such other actions that another party may reasonably request for purposes of carrying out the transactions contemplated by this Agreement.

22. No Partnership or Joint Venture. This Agreement is not intended to be and shall not be construed as a corporate or joint venture agreement between the parties. Except as otherwise specifically provided in this Agreement, no party to this Agreement shall be authorized to act as agent of or otherwise represent any other party to this Agreement.

23. Successors and Assigns. This Agreement shall be binding upon, and shall inure to the benefit of, the parties hereto and their respective successors and assigns. This Agreement may not be assigned by either party, either voluntarily or by operation of law, without the prior written consent of the other. The covenants, conditions and provisions hereof are and shall be for the exclusive benefit of the parties hereto and their permitted assigns, and nothing herein, express or implied, is intended or shall be construed to confer upon or give any person or entity other than the parties hereto or their permitted assigns any rights, remedy or claim, legal or equitable, under or by reason of this Agreement.

24. Modification and Waiver. No modification or waiver of any provision of this Agreement shall be effective unless in writing and signed by the party against whom such modification or waiver is asserted, and no failure to exercise any right, power or privilege hereunder shall operate to restrict the exercise of the same right, power or privilege upon any other occasion nor to restrict the exercise of any other right, power, or privilege upon the same or any other occasion. Notwithstanding the foregoing, Licensee and Broker shall use their best efforts to

modify this Agreement from time to time, to comply with applicable rules and regulations of the FCC respecting agreements of this nature; provided, however, that neither party shall be obligated to make changes which have a material adverse effect on its ability to conduct its business as previously undertaken. Except as otherwise provided in this Agreement, the rights and remedies provided in this Agreement are cumulative and are not exclusive of any other rights or remedies which a party may otherwise have. The rights of each party hereunder shall survive the termination of this Agreement as to the covenants and obligations to indemnify or reimburse as provided herein.

25. Attorneys' Fees. In any act or proceeding brought to enforce any rights or obligations hereunder, the prevailing party shall be entitled to receive reimbursement for its reasonable attorneys' fees and related costs.

26. Governing Law. This Agreement shall be governed by, construed and interpreted in accordance with, and enforceable under, the laws of the Commonwealth of Pennsylvania applicable to contracts made in such State and that are to be wholly performed in such State, without reference to the choice-of-law principles of such State, except to the extent preempted by applicable federal law.

27. Headings. The headings of the sections appearing in this Agreement are inserted only for convenience of reference, and shall not operate to alter the meaning of any provision appearing herein.

28. Notices. Any notice, demand or request required or permitted to be given under the provisions of this Agreement shall be in writing, and shall be deemed to have been duly delivered and received on the date of personal delivery, on the third day after deposit in the U.S. mail if mailed by registered or certified mail, postage prepaid and return receipt requested, or on
