

REQUEST FOR SPECIAL TEMPORARY AUTHORITY - REDUCED POWER OPERATIONS

As the Commission is aware, on April 23, 2024, KIAH-TV, Houston, Texas, FAC ID 23394, licensed Tribune Media Company ("Tribune"), was forced to reduce its normal transmitter output power to 50% due to a power output failure. See FCC LMS 0000244297. Steps to resolve the issue are not yet complete. Accordingly, Tribune seeks special temporary authority to continue reduced power operations during the remainder of the repair process.
