

REQUEST FOR EXTENSION OF SPECIAL TEMPORARY AUTHORITY

As the Commission is aware, KDLO-TV, Florence, South Carolina, FAC ID 41975 (the "Station"), licensed to Nexstar Media Inc. ("Nexstar"), commenced reduced power operations on November 14, 2023. See FCC LMS File No. 0000226848. The tower construction continues but is not yet complete due to weather, manufacturing and installation issues. The Station will resume full power operations once the 1800 foot tower replacement is complete which is anticipated in the near future. Accordingly, Nexstar seeks an extension of the current special temporary authority to continue reduced power operations.
