

Request for Silent Special Temporary Authority

DTV America Corporation (“Licensee”) respectfully requests Silent Special Temporary Authority (“STA”) to remain silent while it repairs its permanent broadcast facility for this Low Power Television Station.

The specific reason for the period of silence is due to a transmitter failure. The Licensee is working diligently with the local vendor to resolve the outage as quickly as possible.

Granting this request would not implicate Section 312(g) of the Act, which generally limits silent station authorizations to 12 months.¹ In contrast, the STA requested here would be for a period of up to six months.
