

Exhibit showing our organization's history

AOS, which was founded in 2004, was previously funded by the Huron County Board of Developmental Disabilities but became a self-sustaining 501(c)3 non-profit organization in April 2019, separating it from other similar programs throughout the state of Ohio. This shift to independence forced the organization to adapt and seek new opportunities to engage and thrive within the community, but most importantly, gave AOS the creative freedom to meet the unique needs of the individuals it serves.

Our downtown studio, which opened in the summer of 2020, is a unique working art studio and retail space that features artwork by both AOS and local artists, as well as a collection of various retail items, and serves as an event space for local businesses and community members

Artists Open Studio Inc. is incorporated under the laws of the state of Ohio as a non-profit 501(c)3; date of incorporation December 21, 2005. Find out more at <https://www.artistsopenstudioinc.org/>
