

**RELATED APPLICATIONS PURSUANT TO SECTION 73.3517(E)**

This letter reflects the agreement between Noemy Rodriguez dba Alcon Media ("Rodriguez") and Walla Walla University ("WWU"), to file with the FCC the following contingent FCC Form 2100 minor change applications pursuant to the provisions of Section 73.203(b) and Section 73.3573(g) of the Commission's Rules, and the guidelines adopted in *Revision of Procedures Governing Amendment of the FM Table of Allotments and Changes of Community of License in the Radio Broadcast Services*, 21 FCC Rcd 14212 ("Streamlining Order").

Application	Filed By	Proposal
FCC Form 2100 minor change	Rodriguez, licensee of FM radio station KZJJ (Facility ID 203618), licensed on Channel 283C3 at Mesa, Washington	Modify KZJJ to Channel 283A at West Richland, Washington, to operate from a transmitter site on Badger Mountain, as a 73.215 short-spaced facility to KPLP
FCC Form 2100 minor change	WWU, licensee of FM radio station KPLP (Facility ID 198745), licensed on Channel 283C1 at White Salmon, Washington	Modify the KPLP license facility, with no change to its current technical facility, but requesting 73.215 short-spaced status with respect to KZJJ

The parties agree to work together to submit on the same date, and thereafter diligently prosecute the above-referenced Form 2100 minor change applications, each of which will cross-reference the others as a contingent proposal.
