

Displacement Exhibit

The following displacement application is a replacement to the displaced channel 21 permit.

Philadelphia Television Network, INC (“PTN”) is the licensee of digital Low Power Television station WFGD-LD, Channel 21, Facility ID 16706, Philadelphia, PA. WFGD-LD was displaced from Channel 48 to Channel 21 to operate at 15 kW effective radiated power (“ERP”) with a directional antenna (file # 0000053972).

The WFGD-LD facility is displaced again pursuant to FCC rule 74.709 in that Channel 20 is a land mobile assignment to the Philadelphia market. *PTN* herein seeks displacement to change to Channel 36 and move to a new location, change antenna height and pattern, while maintaining the ERP of 15 kW.
