***Technical exhibit to accompany Minor Change application for K31MU-D, FI 183206
Minor Change to licensed facility, Lingleville-Crowley, TX***

Application is minor change of BLDTL-20150120AIJ in order to enhance coverage of existing service area. TL, C/R height and antenna are changed to ASR 1050710. NIER is less than 5% of limit for this service. OET69 analysis shows compliance with all pertinent portions of §74.793.
