

K22EY-D, Fairbanks, Alaska
Request For Special Temporary Authority
September 2015

Pursuant to Section 73.1635 of the FCC's rules, Tanana Valley Television Company ("TVTV"), licensee of digital low power television station K22EY-D, Fairbanks, AK (the "Station"), respectfully requests Special Temporary Authority ("STA") for the Station to remain silent due to circumstances beyond its control. Inasmuch as the Station will be unable to resume operations within 30 days, the instant STA request is being submitted.

On September 17, 2015, TVTV discontinued operation of the Station due to problems with the Station's transmitter. It has been determined that the transmitter is damaged beyond repair and must be replaced. The replacement transmitter has been ordered and will be installed as quickly as possible upon delivery.

Grant of the STA will serve the public interest by allowing TVTV to make the necessary repairs and return the Station to full operation.
