

## REASON FOR STA

DUE TO TECHNICAL PROBLEMS WITH ITS TRANSMITTER, STATION WMNS-LP HAS BEEN FORCED TO OPERATE AT REDUCED POWER. THE LICENSEE HAS PURCHASED ALL THE REQUIRED EQUIPMENT TO TRANSITION FROM ANALOG TO DIGITAL OPERATION WITH THE DIGITAL FLASH-CUT FACILITY AS AUTHORIZED BY CONSTRUCTION PERMIT BMPDTL-20140311ABX.

THE OWNER OF THE TOWER SPECIFIED IN THE CONSTRUCTION PERMIT HAS AGREED IN PRINCIPLE TO THE TERMS OF A LEASE FOR STATION'S TOWER AND TRANSMITTER BUILDING SPACE, BUT STILL HAS NOT YET SIGNED THE LEASE WHICH HAS BEEN DRAFTED. ONCE THE LEASE IS SIGNED, V.I. CHRISTIAN MINISTRIES WILL PROCEED WITH THE INSTALLATION OF THE NEW EQUIPMENT AND THE FILING OF A LICENSE TO COVER THE STATION'S DIGITAL FACILITIES.
