**NOTIFICATION OF SILENT AUTHORITY**  
**AND REQUEST FOR STA**

WYDC, Inc. ("WYDC"), the licensee of digital low power television station W16BE-D, Hornell, New York, hereby notifies the Commission that, due to problems with the station's transmitter, the station ceased operations as of November 2, 2015. WYDC presently is investigating the issues associated with the faulty equipment and intends to resume its normal operations as soon as the necessary repairs have been made. In the meantime, WYDC respectfully requests a grant of special temporary authority to remain silent for at least 90 days. WYDC will inform the Commission when it has resumed broadcasting on W16BE-D.
