In re: Low Power Television Application of:

DTV AMERICA CORPORATION
Channel 16, Fort Wayne, IN.
File no.: 0000008088
Call Sign: W16CU-D
Facility Id No.: 183648

Dear Applicant:

We are currently processing the above captioned application. Our preliminary analysis indicates the following:

The proposal is predicted to cause interference to the following facilities:

1. WPTD – Dayton, OH. – BLEDT-20090923ACN at 0.6%
2. W16DM-D – Lima, OH. – BNPDTL-20100609AFI at 33%

If you do not amend your application electronically within 30 days from the date of this letter to resolve the above deficiencies, we will dismiss your application.

Sincerely,

Hossein Hashemizadeh
Deputy Chief
Video Division
Media Bureau
