Amendment STA Request Exhibit

Ocean State Television, LLC, licensee of television station WPXQ-TV, Block Island, Rhode Island (the "Station"), hereby submits an Amendment to the STA Request Application, File Number 0000013480, filed on 8/8/2016, to correct the Effective Radiated Power to 250 kW. The Station has been operating at 25% of its authorized power of 1000 kW, as of July 25, 2016, due to transmission equipment failure. The damaged equipment parts have been ordered and, once installed, the Station should resume full power operations.

Grant of the STA will serve the public interest by allowing the Station to maintain operation of the Station until the transmission equipment is repaired and operational.
