

**KMTR Television, LLC  
Reduced Power Notice  
September 2016**

On August 18, 2016, KMCB(TV), Coos Bay, Oregon, FAC ID35183, suffered a power amplifier failure. As a result, the station is operating at 25% of authorized power. See FCC File No. BLCDT-20030717ACA. The licensee has ordered but not yet received the necessary replacement parts. The licensee anticipates resuming full power operations within 30 days. In the event reduced power operations are anticipated beyond 30, the licensee will file the requisite request for special temporary authority.
