

To Whom It May Concern

This KTVQ Amended 3rd Quarter Children's Programming Report is due to a human error made on the KTVQ 2nd Quarter Children's Programming report. The 2016 2nd quarter children's programming information was accidentally filed as 3rd Quarter 2016. The information was correct for 2nd quarter, however it was filed under the wrong quarter, therefore the amended report was required for 3rd Quarter 2016.
