

Notice of Resumption of Normal Operations

Station: KCNS, Facility ID # 71586, San Francisco, CA

KCNS has been operating at reduced power since October 2, 2016, as previously reported to the Commission in a Reduced Power Notification, File # 0000015256.

At approximately 5:00 pm local time on October 28, 2016, transmitter repairs were completed, and KCNS resumed operation at 100% of licensed power.
