In re: Low Power Television Application of:  
Venture Technologies Group, LLC  
Channel 17, South Park, CA.  
File no.: 0000022336  
Call Sign: KRPE-LD  
Facility Id No.: 129651

Dear Applicant:

We are currently processing the above captioned application. Our preliminary analysis indicates the following:

The proposal is predicted to cause interference to the following facilities:

1. KUSI-TV – San Diego, CA. – 0000005158 at 0.5535% rounded to 0.6%

You have requested to use values of 0.5 kilometers for cell size and 0.2 kilometers for distance increment for the interference analysis. We are not able to run our interference study using the specified values, however using values of 0.5 cells and 0.5 distance which is the lowest we can specify in our version of interference study resulted the above deficiency.

If you do not amend your application electronically within 30 days from the date of this letter to resolve the above deficiency, we will dismiss your application.

Sincerely
