## **Engineering Statement**

**K32KB FI 182846**

### Environmental Statement:

Antenna will be installed on an existing tower and the equipment installed in an existing building. No construction is involved.

Non-ionizing radiation at ground level head height is less than the allowable public exposure limit. No special precautions required.

Exception: K32KB shows small interference to KDMD, Ketchikan TV, LLC. KDMD has given a no objection letter accepting that any interference found in practice will be resolved.

K32KB is a translator for KDMD. It receives its input signal via satellite feed and not over the air.

Respectfully submitted,
