**Request for Special Temporary Authority to Operate at Reduced Power**

Victory Television Network, Inc. ("VTN"), the licensee of KVTN-DT, Pine Bluff, Arkansas (Facility ID No. 607), hereby requests Special Temporary Authority to continue operation at reduced power. VTN filed a notice on May 22, 2017 informing the Commission that KVTN-DT has been operating below the 80% power minimum since May 8, 2017.

Due to a transmission line failure, KVTN-DT has only been able to achieve 25% of its authorized power. The new line is being manufactured and is scheduled for delivery in several weeks. Once the new line is received and installed, VTN will return the facility to full-power operation as soon as possible.

Accordingly, VTN respectfully requests Special Temporary Authority to continue operation at 25% of authorized power until such time as all transmission line repairs are complete.
