

STATEMENT CONCERNING PROPOSED CHANNEL

Kailua Television, LLC (“KTVLLC”), hereby notifies the Commission that, while the instant application as initially filed on July 12, 2017, specifies use of Channel 25 (as directed by the Commission), KTVLLC intends in the near future to submit an application proposing use of Channel 29 in lieu of Channel 25. The possible substitution of Channel 29 for Channel 25 has been informally discussed with the Commission’s staff, and KTVLLC understands that the specification of Channel 25 in the instant application will not prejudice its ability to successfully prosecute a subsequent application proposing Channel 29.
