Eligibility to File for Maximized Facilities

The data files associated with the Commission's Auction Closing and Channel Reassignment Public Notice, released on April 13, 2017, classified WVTB's operation on post-incentive auction Channel 28 as experiencing greater than 1% predicted population loss. Therefore, the station is eligible to file for maximized facilities during the August 9, 2017 to September 8, 2017, 30-day priority filing window.
