

KUED Construction Permit Application
Eligibility for First Priority Window

This application is filed pursuant to the unable-to-construct waiver of the initial construction permit application deadline the Commission granted to KUED and the other repacked DTV Utah stations on July 11, 2017. *See* Letter from Barbara Kreisman, Chief, Media Bureau Video Division, to Michael Grover *et al.*, LMS File No. 0000024860.

Separately, applicant notes that television station KUEN, licensed to the Utah State Board of Regents, is a non-reassigned DTV Utah station and will require a change in its antenna pattern in order to continue sharing facilities with the other DTV Utah stations. KUEN will file a minor modification request to implement this antenna pattern change once the Commission has lifted its freeze on DTV license modification applications.
