

WIMP-CD
FACILITY ID 4366
FRN 0004-5365-95

ENVIRONMENTAL COMPLIANCE

WIMP-CD will transmit through and share the existing facilities of WPBT. The WPBT facilities will not be modified from the existing licensed configuration. The tower and antenna will not be modified. No environmental issues are raised, because there will be no visual or radiofrequency exposure change from the conditions that exist under operation with the existing licensed facilities.
