

### **Purpose of Amendment**

**The 3<sup>rd</sup> Quarter 2017 Children's Programming Report was amended because when submitting we made a calculation error on the Digital Core Programming Section – state the average number of hours per week of Core Programming broadcast by the station other than its main program stream, See 47 C.F.R. Section 73.671. The correct answer should have been 9.61 and we indicated 13.91 (it has been updated as of 10/26/17).**
