Subject: Resumption of full power operation for Station WFTX-TV

Dear Mr. Hashemzadeh,

Scripps Broadcasting Holdings LLC (“Scripps”) previously notified the Commission of reduced power operation for station **WFTX-TV**, Cape Coral, FL (Facility ID #70649) (LMS file no. 0000029183).

On behalf of Scripps, I am writing to report that WFTX timely resumed full-power operation, though it continued to experience transmitter issues affecting the station’s power output--within the range permitted by Section 73.1560 of the rules.

Please let me know if you need any additional information.

Best wishes,

Ken Howard
Counsel to Scripps Broadcasting Holdings LLC
