

**Ref Question:**

Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main Yes No program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?

**Exhibit a Statement of Explanation**

**We did not transmit an analog signal or any additional streams during this quarter.**
