

## **Extraordinary Circumstances**

The Applicant hereby requests Special Temporary Authority to operate on Channel 17 as proposed in Licensee's Displacement Application (LMS File No. 0000048593).

The Station, which currently operates on Channel 49, is being displaced as a result of the Incentive Auction and repacking process. The licensee has received a 120-day notice from T-Mobile that the Station is likely to cause interference in areas where T-Mobile intends to commence operations or testing on 07/20/2018.

Because the Station must move to a new channel in a timely manner, this request for special temporary authority is being filed pursuant to the June 14, 2017 FCC Public Notice, DA 17-584, Incentive Auction Task Force and Media Bureau Set Forth Tools Available to LPTV/Translator Stations Displaced Prior to the Special Displacement Window.
