Section 3: Supplemental (Non-Vacancy Specific) Recruitment Activities Undertaken by KFDX-TV

	Recruitment Initiative	Description
1	Participation in job fairs by station personnel who have substantial responsibility for hiring decisions.	On May 12, 2016, the KFDX Director of Sales, Chief Engineer and Local Sales Manager participated in the 5 th Annual Workforce Solutions Job Fair at Sikes Senter Mall. Hand-outs were available that summarize all career opportunities that are available at our facility. This event was free to the public and was well attended.
2	Participation in job fairs by station personnel who have substantial responsibility for hiring decisions.	On November 10, 2016, the News Production Manager participated in the Red, White & You Hiring Fair sponsored by Workforce Solutions. This event was geared toward helping veterans, service members and their spouses connect with Texas employers. There was no cost for veterans, participants or employers. This event was well attended.
3	Establishment of an internship program designed to assist members of the community to acquire skills needed for broadcast employment	The station hosted two interns (from Midwestern State University) in the Summer 2016 semester and one intern (from University of Oklahoma) in the Spring 2017 semester.
4	Participation in job banks, Internet programs, and other programs designed to promote outreach generally (i.e., that are not primarily directed to providing notification of specific job vacancies);	The station sends most, if not all vacancy notices to the Texas Workforce Commission, which is a statewide job bank that promotes outreach across many industries and professions.
