Ventana Television, Inc. (Ventana) is today filing an amendment of the previous application for STA, file #000048518, filed 03/12/2018. This amendment is to add a request for waiver of rule 73.3517 regarding contingent applications.

Also, power is reduced from 5 kw ERP in the original application to 3.5 kw to eliminate interference to W28ES-D.

The TV Study report in this application has been updated. As before the Commission is requested to overlook interference indicated by TV Study to WNYW-TV-D on channel 27. Ventana is fully aware the proposed operation will have to be shut down no later than 06/22/2019 when WNYW is scheduled to begin testing of their post-repack facility on channel 27.
