Request for Waiver

In accordance with Public Notice DA 18-124 section 7, this temporary STA application requests a waiver of 47CFR 73.3517 regarding contingent applications. The temporary channel requested (27) was relinquished by WNBC in the spectrum auction and is currently vacant in that immediate area. Ventana Television, Inc. (Ventana) respectfully requests this waiver to be able to remain on the air serving the public after 06/03/2018 at which time it will be forced off the air on channel 41 by T-Mobile. Applicant fully acknowledges that the proposed operation will have to cease by 06/22/19 when WNYW-D is scheduled to begin testing on their post-repack channel 27.
