

### INTERFERENCE ACCEPTANCE AGREEMENT

This Mutual Interference Acceptance Agreement ("Agreement") is entered into as of November 1, 2017 by and between WAFF License Subsidiary Inc., LLC ("WAFF") and WTNZ License Subsidiary, LLC ("WTNZ").

1. WAFF License Subsidiary Inc., LLC is the licensee of Television Station WAFF, FCC Facility ID No. 591, Huntsville, Alabama, and holds a construction permit issued by the Federal Communications Commission ("FCC") authorizing WAFF to construct a post-repack digital television ("DTV") facility on Channel 15 (see FCC LMS File No. 0000025101 hereafter referred to as the "WAFF Permit").

2. WTNZ License Subsidiary, LLC is the licensee of Television Station WTNZ, FCC Facility ID No. 19200, Knoxville, TN, and holds a construction permit issued by the FCC authorizing WTNZ to construct a post-repack DTV facility on Channel 15 (see FCC LMS File No. 0000025183 hereafter referred to as the "WTNZ Permit").

3. WAFF desires to modify its authorized post-transition DTV facilities and maximize service to the public by constructing maximized DTV facilities, increasing its ERP to 137 KW. Specifically, the ERP change will result in a total of 0.62% unique interference to station WTNZ. Neither party contemplates making any other change to either the WAFF Permit or the WTNZ Permit.

4. WTNZ hereby agrees to accept the interference which would result from the increase in ERP described in Paragraph 3 hereof.

5. Except for the agreement set forth in Paragraph 4 hereof, no consideration is being paid or promised by either party in connection with this Agreement.
