

DESCRIPTION OF AMENDMENT

CNZ Communications SE, LLC (“CNZ”), licensee of full power television station WLGA(TV), Opelika, Alabama (Fac. ID 11113) (“WLGA”), hereby amends its application to convert WLGA’s permitted facility to a distributed transmission system (“DTS”) to include a revised proposal for the proposed DTS facility that changes the proposed reference point and transmitter sites. These changes are described in more detail in the attached Engineering Statement.
