

Environmental Statement

K33JO-D

Displacement application due to Incentive Auction 600 MHz TV Band Repack.

Environmental Statement:

Antenna will be installed on an existing tower and the equipment installed in an existing building. No construction is involved. Restricted site access.

Non-Ionizing radiation at ground level is less than the allowable public exposure limit. No special precautions required.

K33JO-D is being displaced by K44AG-D (*which will be moving to channel 33*), as part of the Utah State repacking plan.

Please process this in core application change due to the Utah State repacking plan.
