Redwood TV Improvement Corporation  
PO Box 120  
Morton, MN. 56270  
Attn: David Hansen, President

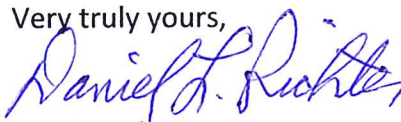

Dear Mr. Hansen:

Minnesota Valley TV Improvement Corporation ("MVTV") hereby consents to the filing by Redwood TV Improvement Corporation with the Federal Communications Commission of an application for a construction permit to change the channel of Station K46FY-D, Facility ID 55446, Redwood Falls, MN, from Channel 46 to Channel 19, provided that operation on Channel 19 does not cause new co-channel interference to more than 2.56% of the population served by MVTV's Station K16CP-D, Facility ID 42991, Granite Falls, MN.

This consent is given based on your commitment to cooperate with us in addressing any complaints we may receive from viewers of actual interference to reception of K16CP-D.

We have no objection to your filing a copy of this letter with the FCC in support of your application.

Very truly yours,

Dan L. Richter  
President
