Engineering Statement

K41DE-D FI 61477

Displacement application due to Incentive Auction 600 MHz TV Band Repack.

Environmental Statement:

Antenna will be installed on an existing tower and the equipment installed in an existing building. No construction is involved. Restricted site access.

Non-ionizing radiation at ground level head height is less than the allowable public exposure limit. No special precautions required.

This application shows outgoing interference to K34IA-D which is part of the Southwest Colorado Television Translator Associations system. It also shows incoming interference from K35CH, which is also part of the same system. As such, the applicant will work out any interference that will occur in practice.

Respectfully submitted,
