**Subject:** NBCU - Request for Assignment of Virtual Channel 50 for KEJT-CD (FIN 64974)  
**Date:** Tuesday, June 5, 2018 7:58:13 AM

---

Hossein - NBC Telemundo License LLC, the licensee of digital Class A TV station KEJT-CD, Salt Lake City, Utah (FIN 64974), hereby requests that FCC records be updated to reflect the assignment of virtual channel 50 for KEJT-CD, which is consistent with Annex B, Section B.1.1.(1) of the PSIP Standard.

KEJT-CD is currently operating on its pre-auction RF channel 50 and is using virtual channel 50.

KEJT-CD, which is being repacked from RF channel 50 to 21, will continue using virtual channel 50 when it transitions to its post-auction repacked channel. There is no conflict in the continued use of virtual channel 50 for KEJT-CD.

The assignment of virtual channel 50 for KEJT-CD is consistent with Annex B, Section B.1.1.(1) of the PSIP Standard as KEJT-CD was operating on analog RF channel 50 when it commenced digital operations (see License File Nos. BLTTA-20021120ABO for analog RF channel 50; and 000001643 for digital RF channel 50 covering a digital flash-cut BDFCDTA-20141112AHE).

KEJT-CD is planning to transition to its post-auction repacked channel on August 29, 2018 (early transition granted by the FCC on April 27, 2018; File No. 0000048841). KEJT-CD also plans to begin airing the required viewer notices on July 29, 2018 and KEJT-CD hopes to include the virtual channel number in the notices.

Please let us know if you would like us to submit this request in a letter format, or if you have any questions.

Thank you - Patty
