WICD-TV  
Champaign, IL  
Sinclair Broadcast Group  
Attn: Harvey Arnold, VP Engineering

May 31, 2018

Mr. Arnold,

It is Dielectric's understanding that WICD is transitioning from channel 41 to channel 32 earlier than its assigned phase-7.

This letter is to confirm that efforts by Dielectric to complete equipment for WICD's earlier transition will not impair Dielectric's ability to construct and supply equipment for other stations to complete their transition during their assigned phases.

Kindest regards,

Christine Zuba  
National Sales
