

Extraordinary Circumstance KFDF-CD Channel 44  
Fort Smith, AR

As a result of the recent Spectrum Auction & Repack, KFDF-CD Channel 44 must construct an interim facility during the Post Auction Transition.

The public good will be served by the continued operation of this station. Rural Arkansans rely on OTA Television for Local Event, Extreme Weather conditions and entertainment. Pay TV in many cases is either unavailable or cost prohibitive in rural areas of Arkansas.

Because of tower construction delays, we are not going to be able to resume operation of Channel 44 at the original site. We anticipate needing to operate at the interim site until all tower work is completed. As a result we are requesting a 6 month extension.
