August 1, 2018

Dear Sir,

This will serve as the exhibit to confirm that contour overlap exists with the licensed digital facility. The coordinates of the proposed digital facility match the digital license facility. Since both the licensed digital facility and the proposed digital facility are located on the same tower, contour overlap must exist. Hence, no contour overlap map is provided with the application.

Should you have any questions regarding this information please contact me.

Sincerely,

Gregory L Best, PE

President
