

Facility is one of three subject to displacement, with a T-Mobile letter indicating the station must cease operation on its current channel by August 16. The licensee has applied for displacement relief, but the application has not yet been granted. STA is needed to avoid service interruption, and to begin operation on the new applied-for channel forthwith. The facilities involved are as follows:

Boise Channels - Accepted, No Grant
T-Mobile operation 8/16/18
